HARAMBEE NID

Neighborhood Improvement District

Mission

The objective of the Harambee NID is to: (a) provide assistance to homeowners, (b) create jobs in the area, in order to eliminate blight, stabilize the housing stock, and otherwise enhance the area of the Harambee NID.

WHAT IS A NID?

Neighborhood Improvement Districts (NIDs) are quasi-governmental entities authorized by Wisconsin State Statute. NIDs assess a property tax to a limited geographic area to support development and restoration within its boundaries. In the Harambee NID, this assessment is \$50/residential unit per year.

WHY FORM A NID?

Budget cuts have substantially reduced funding for programs to support struggling homeowners who are in need of home maintenance and improvements. NIDs are a way for neighborhoods to “come together” to support each other in their home repair needs. The Harambee NID was created in 2016 and began dispersing funds in 2018.

WHAT ARE THE BOUNDARIES?

The Harambee NID includes residential properties between Center Street & Capital Drive and between Holton Street & I-43, EXCLUDING properties included in either the Riverworks BID or the Historic King Drive BID.

WHAT DO NIDS DO?

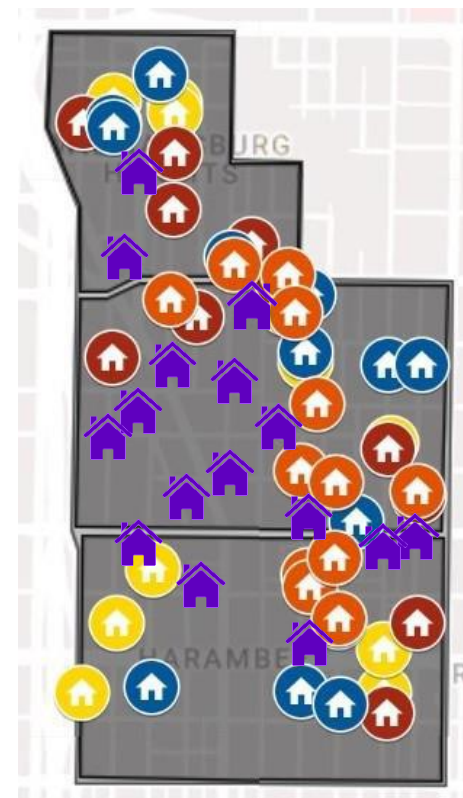

While the activities of different NIDs differ according to the history, needs and desires of the neighborhood, most groups:

- Provide home repair grants to residents.
- Sponsor community events and art projects
- Provide funding for security enhancements.
- Provide business development assistance.

SUCCESSSES

Since 2018 to present the Harambee NID has funded \$413,532 new roofs and other critical repairs
